TEACHER TO FACE FORGERY CHARGE IN SUPERIOR COURT

Despite charges by his attorney, LeRoy A. Broun, Centerville, that the "District Attorney's office is being used as a collection agency," Jackson Harold Sweeney, 29, former Niles teacher, was held to answer to Superior Court on a charge of forgery when he appeared in Niles Justice Court last Friday.

The defendant is alleged to have taught the entire 1945-46 term in the Niles Elementary School under the name of a cousin, Glenn Forrest Sweeney, using the credentials of his relative.

NO DEFENSE WITNESSES

Judge E. A. Quaresma heard more than two hours of the testimony of witnesses called by Deputy District Attorney Frank Vukota before announcing that he considered sufficient evidence had been presented to merit certifying the case to Superior Court for trial. Attorney Broun called no witnesses in defense of his client.

In presenting the case for the state, Vukota called as witnesses:

George H. Irwin, inspector for the district attorney's office, who was troubled by a short memory on many details of the case.

Sherwood Morrill, Sacramento, examiner of documents for California criminal investigations, who testified as to the signatures involved on the documents introduced as evidence.

Mrs. Elsie McArthur, Oakland, a deputy in the office of the County Superintendent of Schools, who notarized the credential applications for Sweeney.

Jack Parry, Niles, employee of the Central Bank, who testified that the defendant had cashed a school voucher at the bank here.

E. Dixon Bristow, Niles, district superintendent of schools and principal of the Niles Elementary School where Sweeney taught, who answered the query if he had investigated Sweeney's record at other schools where he had taught with the remark, "In those days we hired them (indicating teacher applicants) if they were warm."

Herschel S. Morgan, Sacramento, credential technician with the State Department of Education, who kept the records of the teacher.

NOT WARNED

Irwin, the inspector for the D. A.'s office, testified that he drove to San Francisco on June 8, 1948, and got Sweeney and "brought him over" to the office of Miss Cecil Mossbacher, on the staff of the D. A.'s office, for an evening conference. He stated that a statement was taken at that time but did not recall what was contained in the statement, nor has he seen it since. Asked if Miss Mossbacher gave Sweeney any warning prior to the taking of the statement, of his constitutional rights or of having the right to counsel, Irwin answered, "I do not recall that she did."

IRVINGTON BOARD REJECTS ALL BIDS

The Board of Trustees of Irvington Elementary School met Monday evening and rejected all construction bids submitted for the completion of the cafeteria, community building, four-classroom building and new toilet facilities.

The trustees announced that all bids were too high and stated that they would repeat their advertisement for bids, starting the whole procedure all over again, in hopes of receiving what they termed "more reasonable bids." The amounts in the bids received Monday were not made known.

WALTER DURAN FATALLY STABBED IN TAVERN ROW

Eliseo G. Boisse, 20, 313 Sixth street, Decoto, will appear in Niles Justice Court at 9 a.m. today (Friday) for arraignment, charged with the murder of Walter Duran, 28, of F street, Decoto.

Police said that the two men had been drinking together in a Decoto tavern Sunday evening and got into a fight, carried their row into the street where Duran was fatally stabbed. Duran, who had been operating a filling station in Irvington for the past several months, was dead when officers arrived.

Officers making the arrest, quoted Boisse as saying he acted in self defense.

Funeral services for the victim were held Thursday at 12 noon from the parlors of the Berge Mortuary Company, Niles, followed by interment at Golden Gate National Cemetery, San Bruno.

The deceased was the husband of Darlene Duran; father of Walter Michael Duran; son of Mrs. Ignacio Duran; brother of Mrs. Frank Sylvester and Hattie Duran, both of Oakland, and Samuel, Vincent, David, Daniel, Thomas and Mary Duran, all of Decoto.

CENTERVILLE K. OF C. TO INSTALL AUG. 26

The installation of new officers of the Knights of Columbus, Centerville Council No. 2692, will be held at Parish Hall, Centerville, at 8 p.m., Thursday, August 26.

Installing officer will be District Deputy Anthony Silva, a member of the Centerville Council, aided by his staff. Large delegations from all the Eastbay Councils are expected for the ceremony.

George Kommes of Centerville will be installed as Grand Knight succeeding John Cattaneo of Niles.

Other officers to be seated will be: Walter Connolly, deputy grand knight; Clifford Rogers, chancellor; John Holland, warden; Antonio Maciel, outside guard; Lionel Goularte, inside guard; George Roderick, financial secretary; Louis Mayer, recording secretary; M. Silva, financial recorder; and Jose Luiz, M. S. Lewis and George Coit, trustees.

LOCAL MEN ATTEND HIGHWAY HEARING

Representatives of three township Chambers of Commerce yesterday were part of a delegation from Alameda County which went to Sacramento to ask the California State Highway Commission for increased allocation of state funds for highway building in the county.

Dr. T. C. Wilson represented the Niles Chamber of Commerce, Ray Alberts and Joseph Pashote represented the Newark Chamber, and L. R. Batman represented the Centerville Chamber.

Supervisor Thomas Caldecott, who headed the delegation, told the commission that it is the intent of the Collier-Burns Act, which guarantees each county 50 per cent of its normally appropriated state highway funds and sets up the other 50 per cent for expenditures in "critical" areas, that the latter 50 per cent is intended for such counties as this.

No decision was given by the commission, which pointed out that increased costs of highway construction are delaying many projects throughout the state.

BANDIT VISITS THREE TOWNSHIP FILLING STATIONS

Forrest B. Wright, 23, Hayward, was arrested in Milpitas early Wednesday morning and returned here for investigation of an all-night escapade of burglarizing filling stations throughout the township.

The bandit used the same technique on all of the attempted break-ins, utilizing a large bolt cutter to snap the padlocks on the doors of the stations.

The first place visited was the Shell Station on Main street, Centerville, operated by Henry Gomes. Gomes reported approximately \$35 in cash taken from the cash register.

The Brackendorf Station on the Niles-Mission San Jose highway proved to be the downfall of the culprit for in an attempt to cut the lock there the burglar alarm was set off and the sheriff's office immediately broadcast an "all points" warning.

From Mission the burglar drove to Warm Springs where the Monarch Station, operated by Ray Work, was entered but no money found. A short time later officers in Milpitas, who had heard the broadcast, found Wright parked in a closed filling station. In his car they found a bag of money, believed to have been taken from the Games station, and a bolt cutter. Formal charges were expected to be filed either late yesterday or early today (Friday).

INJURIES FATAL TO NILES WORKER

John Villa, 62, Western Pacific section gang worker, died early Monday morning in Fairmont Hospital from injuries received when he was struck by an automobile on First street in Niles late Sunday evening.

Driver of the car, Oscar W. Dove, 40, of 5942 Castro Valley boulevard, Hayward, was not cited.

The accident occurred about 10:45 p.m. and witnesses reported to investigating officers that Villa had been seated on a bus stop bench directly across the street from the Peerless Stage depot. He got up from the bench and stepped into the street directly in the path of the oncoming machine. The impact tossed him high into the air and he fell on the pavement on his head. He was rushed to the hospital in the Dallas Paul ambulance from Centerville.

Funeral services were held at 10 a.m. Wednesday from the parlors of the Berge Mortuary Company. Interment was at Santa Clara City Cemetery.

MAY HOLD FETE AT MISSION SAN JOSE

Willingness to sponsor a one-day festival at Mission San Jose, with the assistance of other civic organizations, was expressed this week by the Lady of Fatima Council, Y.M.I., of the Mission.

The festival would be held on October 5, the evening that Don Gaspar de Portola and his party, on their historical trek from San Diego to San Francisco, will camp at the old mission. The group, attired in costumes of that era will follow the route taken by Portola in 1767, stopping at all the missions along the way.

At last week's meeting of the Y.M.I., President Edw. L. Rose appointed the following committee to serve during the year: Leland Telles, athletics; Walter Connolly, Vernon Leal and Harry Rose, convention; Joe Perry, Santa Clara District Central Committee, and Ben Sylvia, alternate. The members also voted to enter their float, a replica of the old mission, in the Catholic Federation parade in Oakland on September 5.

PEDESTRIAN INJURED

Mrs. Isabel Machado, Niles, suffered a leg fracture and lacerations about 4 p.m. Wednesday when she was struck by an automobile while crossing the street at the intersection of Second and J streets, Niles. Driver of the machine was W. G. Oliver, Hayward.

CENTERVILLE P. O. EXAMINATIONS SET

The United States Civil Service Commission this week announced an examination for probational appointment to the positions of substitute clerk and carrier in the Centerville post office.

The basic rate of pay for substitutes is \$1.29 an hour and appointments are usually made to substitute positions, and promotions made to positions according to seniority of appointment, it was pointed out.

Applicants must actually reside within the delivery of the Centerville post office and no experience is required.

It is not necessary to file an application form before taking the written test. Persons interested in these positions should appear for examination at Room 207, Fremont High School, 45th avenue and Foothill boulevard, Oakland, at 1 p.m. on September 2 or 3. Application form 60 for persons claiming 10-point preference should be obtained from the commission's local secretary, Phil Sousa, at the Centerville Post Office.

TOWNSHIP NIGHT AT CENTENNIAL PAGEANT AUG. 28

Washington Township will have its own night at the Saturday, August 28, performance of the spectacular pageant, "Glory in the Land," to be presented as a centennial celebration event by Alameda County.

On that night the Woodminster Amphitheater in Joaquin Miller Park, the locale of the brilliant pageant, will have a section of its best seats roped off for Washington Township residents exclusively. The tickets—free—may be secured here in the township at points to be made known in next week's issue of The Register. Those from here who expect to attend this performance are advised to get there early, as the seats will not be held after 8:15.

Washington Township will also be represented in the big parade on Thursday, August 26. All of the local parlor of the Native Sons and Daughters expect to take part in what will undoubtedly be one of the finest parades of its kind ever presented in the bay area.

The pageant will be presented on August 27, 28, 29, and September 3, 4, 5, 9, 10, 11 and 12.

NEWARK TO HAVE CHRISTMAS LIGHTS

The certainty that Newark is to have appropriate Christmas decorations this Yuletide season was assured Tuesday evening at a meeting of the Chamber of Commerce.

A committee, composed of R. A. Jolly, Harry Houston and Edward Blumiller, reported that they were working out details for strings of lights and garlands for the business district; a visit by Santa Claus to the homes where children reside; and prizes for outdoor and indoor tree decorations and special effects.

Only other business which transpired at the meeting was the appointment of R. A. Alberts and Joseph Pashote as a committee to attend the hearing in Sacramento Thursday between Chamber of Commerce representatives of the county and the Division of Highways.

SUNOL ASKED TO JOIN WITH HIGH SCHOOL DISTRICT

The possibility that Sunol Elementary School District might have to join either the Pleasanton or Washington Union High School Districts was advanced by school authorities this week.

The Sunol Elementary District is sandwiched between the two high school districts but has managed to refrain from becoming a part of either of them, thus keeping the school tax rate at less than one-half of neighboring land owners.

During the past year 12 of the Sunol graduates were enrolled at Washington Union High School and 30 at Amador Union High School at Pleasanton. The students furnished their own transportation, but were reimbursed at the rate of 25 cents per day.

At a joint meeting of the Boards of Trustees of the two high schools this week it was decided to call an additional meeting with County Superintendent of Schools Vaughn Seidel, to which the Board of Trustees of the Sunol school would be invited, to discuss in greater detail the possibility of consolidation with one or the other of the high school districts.

Although spokesmen for the high school districts refused to be quoted, they indicated that it might be necessary to close their doors to future Sunol graduates unless some better arrangement is completed.

OAKLAND POLICE HOLD NILES BOY

Oakland police are holding for investigation three youths, one of them a Niles boy, following a brutal beating of an Oakland boy in that city early this week.

The boys are Mike Leazarraz, 17, Niles, and his two Hayward companions, Ronald J. Dominici and Richard Lugo, also 17.

The trio admitted beating 15-year-old Demsey Deadder, and brutally kicking the boy in the face several times because they "didn't like his looks" as he walked along the sidewalk near their parked car.

According to the story they told police, after being tracked down through their automobile license number, Leazarraz, who wore heavily soled "pachuco" shoes, said he yelled an insult at the boy and then began to chase him. Dominici joined the chase and grabbed the boy and both fell down. Both of the assailants then kicked the youth in the face several times, police said. They dashed away in their car but witnesses took down the license number and turned it over to police. The trio admitted returning to the scene to see the injured youth loaded into an ambulance.

M. D. SILVA SELLS NEWARK GROCERY

M. D. Silva, Newark grocer, announced his retirement and sale of his store at the corner of Sycamore and Thornton avenue this week, ending a career of more than 50 years in the business.

The new proprietors, Mr. and Mrs. Lawrence Costa, will not be entering into a new business as he has clerked at the store for 30 years and Mrs. Costa is a mere beginner with but 10 years as a clerk there.

The popular Newark couple have announced that they will operate the store the same hours and on the same basis as it has been operated in the past.

BEGIN WORK ON JARVIS ROAD

Clements and Company, Hayward contractors, started work Monday on the \$152,000 improvement of the three and a half miles of Jarvis Road between the Dumbarton Bridge approach and the Centerville-Alvarado highway.

Rights-of-way, already obtained, will permit widening of the road to an overall 60 feet. The project is being financed jointly by county, state and federal funds and is expected to be completed by April 1, 1949.

Draft Registration Opens August 30; Expect 2600 Sign-up

An estimated 2,600 Washington Township youths between the ages of 18-25 will begin registering on August 30 for the second peacetime draft in the past decade.

The opening day of registration is just two weeks after the third anniversary of the surrender of Japan, bringing the end to World War II, and the youths are expected to follow a similar pattern to their big brothers in their draft procedure and training.

Governor Earl Warren has designated the high schools of the state as the registration centers, and J. V. Gould, district school superintendent and principal of Washington Union High School, said this week that the visual education room of the school here would be utilized.

SCHEDULE LISTED

Gould will act as chief registrar and will be assisted by volunteer workers from the various civic and patriotic organizations of the township.

He stated yesterday that the registration center will be open from 8 a.m. to 5 p.m. and warned the youths that it was imperative that they report on the days designated according to their birth dates. He also added that any youths of registration age here on vacation should report and their records will be forwarded to their home district.

The registration schedule is as follows:

Aug. 30—Men born in 1922, after August 30, 1922.

Aug. 31-Sept. 1—Men born in 1923.

Sept. 2-3—Men born in 1924.

Sept. 4-7—Men born in 1925.

Sept. 8-9—Men born in 1926.

Sept. 10-11—Men born in 1927.

Sept. 13-14—Men born in 1928.

Sept. 15-16—Men born in 1929.

Sept. 17-18—Men born in 1930 before September 19, 1930.

The draft board, which will serve Washington, Pleasanton and Murry Townships is composed of Manuel W. Lewis, Centerville, and Frank J. Leonard and Edward K. Stanton, both of Hayward.

21 MONTHS SERVICE

Lewis said this week that the draft board, designated Number 54, will cover the same area previously served by Draft Board No. 75, and is expected to meet in the same office in Hayward. However, the location of the draft board office is not definite, Lewis pointed out. He estimated that 5,000 youths would register in the three townships during the two weeks' initial registration.

The actual drafting of the youths registered will not begin until late in September and the youths will be required to serve 21 months.

NILES SCHOOL BOARD SELECTS BUS DRIVER

Following a meeting of the board of trustees of the Niles Elementary School Wednesday night, an announcement was made to the effect that 15 applicants had applied for the position of combination bus-driver and custodian. Seven of the applicants were present at the meeting.

The board members have made a tentative selection, pending the successful passing of the driver's and medical examination by the selected applicant. His name will be announced when the outcome of the examinations has been revealed.

ST. JUDE'S NAMES COMMITTEE HEADS

Additional committee chairmen to serve during the coming year were named at the last regular meeting of St. Jude's Institute, Y.L.I., Irvington.

Isabel Vargas, first vice-president, presided in the absence of President Bertha Rose, and made the following appointments: Mae Avila, National Catholic Community Service; Mary Freitas, arranger; and Isabell Vargas, Evelyn Rose and Evelyn Peixoto, Catholic activities.

FREE X-RAYS WILL BE OFFERED TO TOWNSHIP PEOPLE

Free chest x-rays will be offered to Washington Township residents 15 years of age or older during the second week of September, Richard L. Head, executive secretary of the Alameda County Tuberculosis Association announced this week.

The survey is to be held for the purpose of discovering early tuberculosis and is being sponsored by the Tuberculosis Association, the Alameda County Health Department, and citizens' committees in the different towns.

The Christmas Seal x-ray truck will be at the following locations: Decoto—School, on Wednesday, September 7.

Niles—Theater, Thursday, September 8.

Centerville—Kleine's Restaurant, near theater, Friday and Saturday, September 10 and 11.

Newark—Post office, Monday, September 13.

Irvington—Post office, Tuesday, September 14.

Residents of Alvarado are also invited to take advantage of their Christmas Seal purchases by coming to the truck at Centerville or Decoto.

Dr. James Malcolm, Alameda County health officer, has explained that unfortunately tuberculosis shows no outward symptoms in its early stages; "only when TB is well advanced does the victim cough, tire easily, lose his appetite," he said. According to Dr. Malcolm, an x-ray picture helps the doctor determine whether a person is healthy. The x-ray is the best way to find early, and more readily cured tuberculosis in adults.

By VIVIAN BATMAN

A newcomer to Niles told me the other day that he can't understand the people in Niles. "Every-one," he said, shaking his head sadly, "seems to hate everyone else. One little group hates another little group; one neighbor hates another neighbor. Nobody seems to have a good feeling towards anyone else."

After he departed, the thought of what he had said kept intruding itself in my mind. Is it true? Do people here actually feel that way about one another?

Then something happened that made me realize it isn't true at all:

We've recently acquired an Irish setter puppy. He's a pretty dog—but wild and restless and eager as a race horse before a race. In other words, he's a hard dog to keep penned up in the back yard. But, with the exception of a couple of times when he's managed to hurdle the fence, we've been able to do so.

But what has all this to do with people hating each other in Niles? Well, I'm coming to that—

Somehow or other, as things do in a little town, word got around that we had this dog, on whom, by the way, we have bestowed the completely unoriginal name of "Rusty."

Then the telephone started ringing. I've had at least ten calls from people—some of whom I've never even met—telling me they've seen an Irish setter in their neighborhood and they were sure we'd be worried about him and so they thought they'd call and tell us about it.

Ten calls, mind you! And some from perfect strangers! As it happened, it wasn't our setter at all, but a stray setter who is his spitting image. But that's beside the point. The thing is: would you say that people in a town hate each other when so many are thoughtful enough to call and tell you that your dog is running away?

Frankly, I think it shows a spirit of neighborliness and of friendliness, and the little episode served only to renew my faith in the essential good-heartedness of our townspeople. But it might not be out of place to add here that it would be well for all of us to guard our tongues so that the newcomers coming into the community get the right impression of us—and not the wrong, or the untrue one. The next time you're about to make a disparaging remark about someone, remember that a newcomer may be within earshot, and you are not only giving him a bad impression of yourself but of your community as well. Remember the old saw to the ef-

IRVINGTON WOMAN HAS FLING WITH PAINT

73 YEAR OLD SAYS 'IT'S THE LAST TIME'

Mrs. Lily Schultdt of Irvington, who was in the news not so many months ago because of her tremendous efforts in behalf of the poorly-clad people of Greece (she made over a thousand garments) has done it again!

This time the little seventy-three year old woman—fragile-looking as a Dresden figure—has completed painting the entire exterior of her five-room home!

"Why, I don't know what all the fuss is about," said the energetic little gray-haired widow modestly. "My house needed painting and I couldn't afford to have it done, so I simply did it myself."

"It's a bit unusual, you know," we countered, "for a woman to paint a house at all. But for a woman of 73—well, that's news!"

Mrs. Schultdt had her troubles, however. "The back of the house came out a different shade than the front, but"—a twinkle came into her eyes—"not many see the back anyhow."

Now she's doing the interior of the house, and having her troubles

there too. She's painted the bath-room green. "But," she said, a puzzled frown on her face, "the green is a peculiar green. Every time I go in the bath-room my eyes get a blue mist in front of them. Now I'm going to have to paint the bath-room all over again because, really, it's doing terrible things to my eyes."

When she does that, and finishes the kitchen, and touches up the wood-work here and there, she'll be through. "This is the last time I'm going to paint the house," she stoutly maintains. But somehow, knowing her capacity for hard work, we wouldn't be a bit surprised to see her ten years from now—when she's a mere 83—up on a ladder blithely swinging the paint brush again.

Mrs. Schultdt's endeavors should lend encouragement to other oldsters who quietly sit back and fold their hands at the first sign of approaching age.

Who said that life begins at forty? Life—ask Mrs. Schultdt—begins at seventy!

OPEN LETTER TO MRS.

Dear Mrs. —
The first time you did it, I thought that you must not have seen me. However, when you did it again the other day I realized that it was done intentionally. I have never been snubbed with such finesse, such grandeur.

But remember, my dear, smart clothes and a haughty manner do not a lady make.

My first reaction when I spoke and you failed to acknowledge my greeting was one of disbelief. No, it couldn't be! Not in this day and age! That little bit of melodrama went out with the vapors, bustles, and the horse and buggy. Even though there's someone you dislike intensely as you seem to dislike me, you speak anyhow. Contemporary custom demands it. Ask Emily Post. Not to do so is very, very provincial.

Your husband—does he dislike me also? Probably so, but he obviously has been around more. He knows the correct thing to do. He always greets me courteously.

It's always been my contention that, especially in a small town, you don't hurt others by not speaking to them. You simply make yourself an object of amusement.

8-3 VICTORY FOR DECOTO BALL CLUB

The Marlo baseball team of Decoto, behind the nine-hit pitching of Ogie Gonsales, last Sunday defeated the Freddie Beauty Salon club of Oakland 8 to 3 on the Elmhurst diamond.

Contributing to the Decoto victory was the stick work of Joe Sanchez who rapped out four hits for five times at the plate, and Lemos and Frank Rebeijo, each getting three for five. Rebeijo managed the club in the absence of Al Ferreira.

The Decoto club is showing ever-increasing strength as Managers Al Ferreira and Rebeijo whip the lads into shape in preparation for entering the Southern Alameda County Winter Baseball League.

NILES DOWNED IN EXTRA INNINGS

The Niles Merchants, playing a hard-fought 11-inning baseball game Sunday on the Arroyo De Vego diamond in Oakland, lost 11 to 10 to the Hernandez Market team of Hayward.

The Niles team, managed by Tom Pugmire Jr., in the absence of his father, held the lead all the way into the last half of the ninth, when a Hernandez rally netted three runs and tied up the game.

Little Joe Peters, who had capably handled the mound duties for the locals, was relieved in the ninth by Junior Holderfield.

Stars of the game were Holderfield, who got four singles for five trips, and Dick Fitzgerald, who hammered out two home runs and a single in five times at the plate.

DUTRA LOSES 1-0 PITCHERS' DUEL

An unearned run, the result of an error in the fifth inning, cost the Irvington Merchants the 1 to 0 loss of a pitchers' battle Sunday against the Optimist Club at Santa Cruz.

Big Hank Dutra, Irvington mound ace, gave up but three hits, going seven full innings before he was touched for a base-knock. Brison, opposing hurler, was also credited with giving up but three hits in scoring the shut-out. During the nine-inning battle, Dutra struck out 10 batters and gave but one charity base. Brison showed less control, getting but four strikeouts while walking seven Irvington batters.

This Sunday the Irvington club will see action at Linden in a return game with Solari's Grill. In the first meeting of these two clubs on August 8, the game was called in the fourth inning by the Solari nine with the score standing 11 to 0 in favor of the Irvington Merchants.

On August 29 the local lads will play a home game on the diamond at the Irvington Elementary School with the Jeffersons, oldest semi-pro team in San Francisco, as their opponents. This club, composed mainly of yesteryear big league stars, lost a 4 to 3 game to the Irvington club on the local diamond in their meeting last season and provided the spectators with plenty

ALUMNI GRIDSTERS SET DRILL DATES

Three workouts per week have been scheduled for the Washington Alumni football team in preparation for the opening game of the 1948 season on September 17 at Hayward against the Hayward Raiders.

Answering the first call of Coach Lawrence Pine last Sunday at Memorial Stadium were but 15 of last year's squad, but many of the gridsters were known to be off in the hills hunting deer, and are expected to be in uniform in the near future.

Drills are to be held Tuesday and Thursday evenings from 7 to 9 p.m. and at 10 a.m. Sundays until the season gets underway. The semi-pro organization, playing under the banner of the Vallejo Mills Post, V.F.W. of Niles, is rated one of the most powerful of the east bay area and in its three games last season rolled up a total of 110 points and kept its own goal line from being crossed.

DECOTO CHAMBER TURNS SOFTBALL TO TRACK MEET

The "youngsters" of the Niles Junior Chamber of Commerce, always ready to talk on the softball abilities of their members since their 18 to 12 defeat over the Decoto Chamber of Commerce last month, quickly turned to other fields of conversation when the topic of softball came up this week.

The change of heart might have something to do with the thorough trouncing they received Sunday morning on the Niles Elementary School diamond in a return game with the Decoto city dads.

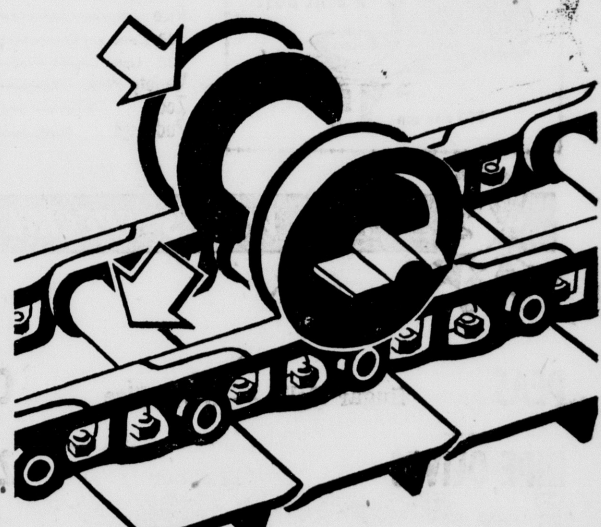

After the dust of the Decoto base runners had settled sufficiently at the conclusion of the seven innings to allow the score-keepers to make a tally, it was found that the up-county lads had "nosed out" the localites by the narrow margin of 33 to 5. The affair was played before a roaring crowd, estimated at 3, but the stands were cleared by the end of the third inning.

Although the count now stands at one game each, no mention was made Sunday, on the part of the Niles team at least, of a deciding two-out-of-three battle.

Niles Woman Married At Quiet Ceremony

Mrs. Louella Hatch of Niles and Mr. Charles Sillers of Oakland slipped away quietly a week ago Tuesday and were married. The news comes as no surprise to the close friends of Mrs. Sillers. The only thing that had remained a secret was the day.

Mrs. Sillers has lived in Niles for over 30 years. A member of the Country Club of Washington Township, she has many friends in this locality.

Mr. Sillers will be remembered here in Niles as a former agent of the Southern Pacific. He is now agent at the Emeryville station, and has, since his departure from Niles many years ago, been living in Oakland. He had known the former Mrs. Hatch since the time he lived in Niles.

The two, who had a week's honeymoon at Lake Tahoe, are making their temporary home at her house in Niles. They expect to move to his home in Oakland soon, however.

Before her wedding, Mrs. Sillers was the guest of honor at a luncheon given for her at the International Kitchen by her neighbor, Mrs. Ramon Barnum. The guests included, besides the guest of honor, Mmes. O. E. Walpert, Anna Bradford, Ralph Robinson, Marie Bishop and Mrs. Greeno.

Mrs. A. W. Gorman Returns from Hawaii

Mrs. A. W. Gorman of Niles returned last Sunday via Pan-American plane from Hawaii where she had been vacationing for the past three months. Having gone over on the "Lurline," she was very much disappointed on the return trip on the plane. "It was tiresome," she said frankly. Her daughter, Suzanne, had returned two weeks earlier, also by plane.

Mrs. Gorman, who had remained longer than she had expected because of the illness of her other daughter, Jacqueline, in Honolulu, was enthusiastic about the islands. "It's a wonderful leisurely life," she stated. "An ideal vacation spot where you can really relax." While she was over there she met Mrs. Harvey Granger of Decoto, who was spending a couple of weeks with her brother and sister-in-law. Mrs. Granger was Mrs. Gorman's guest at a large cocktail party the latter gave to celebrate Jacqueline's departure from the hospital.

In spite of her fondness for the Islands, Mrs. Gorman wasn't too unhappy about returning home, however, for, upon her arrival, her husband presented her with a brand new convertible, as a "coming home" present.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

YOUTHS ELECT

The young-folks of the Mission Youth Center met at the I. D. E. S. Hall on Thursday evening for their regular business meeting and election of officers for the coming six months. "Rick" Meyers was re-elected president, Elaine Borge succeeds Cecelia Schneider for vice-president, Phyllis Vierra took over the secretarial duties from Evelyn Meyers and Donnie Meyers is now official keeper of funds, taking over where "Cappy" Cunha leaves off. Plans for a "Best Dress Social" dance were completed and it will be held Thursday evening. Each member is going to be allowed to bring in one new member from the outside to see if this plan is feasible and if so more may be asked to join us. The other committees were reelected to serve for the next six months, and Elaine Borge, who is vice-president, volunteered to help keep the scrap book in order. The chaperones for this evening's activities are Mr. and Mrs. Joseph Borge, Mrs. Marie Schneider and Mr. and Mrs. Glenn Bottenberg.

SATURDAY NUPTIALS

A quiet, but very lovely, wedding took place at St. Joseph's Church here in the Mission on Saturday afternoon at 2 o'clock, when Josephine Fernandez, daughter of Sara Boggins, became the bride of Edward David Chambers of Palo Alto. "Jo," as all her friends call her, was attired in a dusty blue suit, a gorgeous white bonnet and veil, white accessories and had a corsage of double white glads. She was accompanied by her life-long friend, Grace Meyers, lovely enough herself to have been a

bride in a dusty rose suit with cocoa-brown accessories and an orchid corsage. Best man was a mutual friend of them all, Frank Veith of Alma.

Relatives and friends congregated at the church for the ceremony and to extend best wishes to the newlyweds and later went to the family home on Bryant street for a reception where the bride and groom cut a beautiful three-tiered bride's cake, and opened many lovely presents.

Mr. Chambers' family from Loomis were present and also his son, Ronnie, 7, and daughter, Beverly, 14, who will make their home here with dad and their new mother.

Mrs. Chambers' twin sons, Lawrence and Clarence, and daughter, Geraldine, were also present to add their love and best wishes to the happy occasion. The family will make their home here for the next year at least until one of the boys finishes high school, then they may move to Palo Alto where Mr. Chambers is employed by the Peninsula Dairies Company.

The honeymooners left Saturday evening for way points between here and Sacramento, Donner Pass, Reno and Lake Tahoe, and will be home to their friends and neighbors on Friday. Bon voyage and a million good luck wishes go with you to swell people.

ON VACATION

Miss Cecelia Schneider, daughter of Mr. and Mrs. Alois Schneider, is vacationing in San Francisco with her friend, Mary Schrorer.

RETURN FROM TRIP

Frank Rogers, son of Mr. and Mrs. Lawrence Rogers of Bryant street, returned last week from a vacation in the south, accompanied by Clarence Harvey. While there they stopped for a short visit with Dick Venturin and his folks of San Pedro.

GOOD HUNTING

Jackie Borge was a successful hunter the other evening, bagging

a small 80-pound buck. Augustine Williams also got his first one this year on Tuesday morning.

SOMETHING NEW

Mr. and Mrs. Frank Vargas and son Richie "Butch," are sporting a swell new Plymouth Sedan de luxe.

VACATION ON BEACH

Mr. and Mrs. Matt Silva and daughter, Marie, and Mr. and Mrs. Joseph Felecano of Palm avenue motored to Half Moon Bay where they spent a few days vacation.

NEARS COMPLETION

The new home of the T. D. Witherly is coming along fine and from where we can see it from the front street of Mission it looks like a very cute and livable home. They are located way up on the hill near the reservoir with the Mission range and have a grand view of all the surrounding country.

MOVE FROM MISSION

So now Joe Rocha and his mom are all through moving and are definitely living in their new dairy home on the Irvington-Warm Springs highway. We hate to have them leave the Mission but we know they will be back most every day anyway, so best of luck and do stop by and say hello.

NICE GIFT

Really sorry, Marilyn, I did not forget last week but just could not find time for all the things I wished to write being "baby tender" uno, but here is the news today. Marilyn Rodriguez, daughter of Mr. and Mrs. George Rodriguez, promised to cut a lot of cots with mother if she could have a nice birthday present. She did

FORMER NILES MAN WINS SCHOLARSHIP

Word comes to The Register this week that J. H. (Harry) Wilcox, son of Mr. and Mrs. J. H. Wilcox, former Niles residents, has been awarded a scholarship to the Juilliard School of Music in New York.

Harry, who will be remembered here as a school boy when he attended the Niles school, won the scholarship the early part of May in auditions held at Sherman, Clay & Company in San Francisco.

The young man, who now lives in Vallejo, served nine years in the U. S. Navy prior to going back to school at San Francisco State College, where he is enrolled as a junior working towards his Bachelor of Arts degree. He expects to return to his college work in the fall, after the completion of his work at Juilliard. In the meantime his wife, Jean, serves as assistant librarian on Mare Island.

STONYBROOK IS MERGED WITH PALOMARES SCHOOL

The 87-year-old Stonybrook District School has educated its last pupil, the County Supervisors decided last week as they authorized the district's consolidation with that of Palomares upon the recommendation of Vaughn Seidel, county superintendent of schools.

In a move characterized by Supervisor George Janssen as "an addition to Alameda County History," the jurisdiction now falls within the second supervisorial district. Miss Isabel Moseley, principal since 1926, will go to Warm Springs to become principal of the elementary school there and the handful of students will swell the Palomares daily average attendance to more than 51. Last year the average Stonybrook attendance was five.

Although the district is old by Western standards, the building is not itself. It has been described as one of the best built in the state, being erected ten years ago by W. P. A. The grounds hold a cottage where Miss Moseley has made her home, on the banks of a lively creek. What will become of the plant was not disclosed, but it becomes property of the district who conceivably may rent it or make other disposition.

Cal Drennan, board clerk, is a graduate of Stonybrook as well as Frank Pereira, trustee. The third trustee is Joseph Belshaw. All are Palomares Canyon residents.

Palomares district, erroneously spelled "Palmyras" in some old maps, was established March 28, 1868. The principal is Miss Mary Spillane. The trustee board of three includes A. J. Davilla, chairman; George Souza, and Mrs. Charlotte A. Bailey.

BOARD CREATES NEW POSITION

The position of executive secretary, with a salary of \$600 per month, was created by the Board of Supervisors this week as a result of studies made during the past few months in the interest of more efficient county government.

Under the terms of the ordinance creating the position, the board's appointee will work under the direction of the board in assisting with preparation of the annual budget. He will also carry out such of the detailed work with which the board members are now flooded. He will follow through on projects which have been authorized by the board, coordinate the work of the various departments under the board, and work in cooperation with other elective officers of the county in eliminating duplications.

"We are confident that the people of Alameda County will get better service, and many improvements in county government can be made when this position has been filled," Supervisor Chester E. Stanley declared.

HERE AND THERE IN DECOTO

By RAMONA FINE

HAPPY BIRTHDAY

It was a happy party for little Miss Phyllis Fine as she celebrated her eighth birthday on Wednesday, August 11. The party first started out by the playing of bingo for prizes. Then she opened her many beautiful gifts. While opening her gifts, Fred Costa of the Mercury Radio and Electric Shop, quietly left a new bike in front of the house, a gift from mother and daddy. After she had opened all her other gifts the children marched Phyllis to the front of the house where she found this beautiful bike she had been wanting for a long time. Cup cakes, ice cream and a birthday cake were served. Those there to help Phyllis enjoy her birthday were: Mama and sister Donna Mae, Ann Johnson, Paul and Diana Merrill, Ida Paniagua, Mrs. Vivian Peixotto and children Sandra and Barry.

Mrs. Anna Ward and daughter Betty, Mrs. Dolores Cadman and children Raymond and Barbara, Mrs. Mary Blair and son Edward, Grandma Monte, Richard, Patricia and Sandra Belden, and Madeline Hernandez. Those invited and unable to attend were: Maxine Costa, Willa Hicks, Paul Cardoza (who was at Watsonville visiting his grandmother), Joan Gail Freitas (visiting her aunt in Vallejo), and Grandpa and Grandma Fine of Hayward, who had company.

LEAVE FOR SCHOOL
Cyrus Caldeira, son of Mr. and Mrs. Joe Caldeira of Niles Road, Decoto, and Richard Brunelli, son of Mr. and Mrs. Romeo Brunelli, owners of the Central Garage at Centerville, left Tuesday for Flint, Michigan, where they will attend college for two years. The boys are being sent to college through the Central Garage of Centerville. They are going to study auto mechanics. During their studies they will tour through the different auto plants. Mr. and Mrs. Romeo Brunelli accompanied the two boys. Since they do not have to be in school before August 30, they will tour around for two weeks.

VISIT GRANDPARENTS
Robert Joseph Diaz of Sunnyvale has spent a week's vacation with his grandparents, Mr. and Mrs. Joe Carey. Robert is the son of Dale "Carey" Diaz, daughter of Mr. and Mrs. Joe Carey. Mrs. Diaz took her little son home on Tuesday.

LEAVES FOR CANADA
Mrs. M. Waldron, a Decoto Grammar School teacher, left Monday for Seattle, Washington, to attend the wedding of her son. After the wedding she will visit in Canada.

ENJOY WEEK-END

WE WON—AND HOW!
The Decoto Chamber of Commerce played a fine game of baseball on Sunday at Niles against the Niles Junior Chamber of Commerce. The final score was 33 to 5 in Decoto's favor. The lineup for Decoto was: Frank Borghi, pitcher; Don Hitchen, first base; Eddie Delgado, second base; Alfred Ferreira, third base; Joe Vegas, short stop; Joe Janeiro, center field; Joe "Red" Garcia, left field; Holderfield of Niles, right field; Manuel Hidalgo, buck short. Howard Bradbury is the manager.

TO YOSEMITE
Mr. and Mrs. Fred Sanchez and children of Whipple Road, and Miss Diane Delgado, daughter of Mr. and Mrs. Larry Delgado of Hayward, spent a week's vacation at Yosemite Valley. They saw the many beautiful Big Trees and drove to Glacier Point. They also hiked to Vernal Fall. To make the trip more interesting Mr. Sanchez rented a trailer house which they took with them. On their way to Yosemite they stopped for one night and visited at the home of Charles Sanchez at Escalon. Coming home they stopped at Oakley and visited with Mrs. Sanchez' sister, Cecilia.

DAUGHTER TO TORRES
Mr. and Mrs. Richard Torres are the proud parents of a baby girl, born July 26 at the Hayward Hospital. The little girl was named Rebecca. She weighed 6 pounds 13 ounces.

GET DEER
Two more deer were killed in the Decoto hills. The lucky shooters were Pat Luna and Vernon Vargas.

HOSTS TO CLUB
The Pinochle Club met at the home of Mr. and Mrs. Don Morgan in San Lorenzo Village last Saturday evening. Sixteen hands were played with high score going to John Mara of Niles, with Jimmie Lee Morgan of San Lorenzo Village second, and Mrs. Parks of Decoto third. A booby prize was given to Leontine Costa of Decoto. A delicious plate of salad, sandwiches, pineapple up-side-down cake and coffee was served at 11 o'clock, with home movies being shown later by Mr. Morgan. The next meeting will be at the home of Mrs. Lester Watkins in Decoto.

BASEBALL FANS
Mr. and Mrs. A. L. Costa and son, Jimmie, enjoyed the final game at San Francisco Seals Stadium Sunday afternoon between Oakland and San Francisco. This was one of the wildest games with Oakland winning by a score of 12 to 7.

He is held in custody in lieu of \$5,000 bail.

Hardened mud or clay is called shale.

RECRUIT WORKERS FOR BUMPER CROP

A state-wide survey of agricultural workers to determine how many will be available to harvest the million-bale cotton crop in the San Joaquin Valley began this week, it was announced by L. R. Bradley, employment service manager in the Hayward office of the California Department of Employment.

"Approximately 90,000 pickers will be needed to harvest the largest cotton crop in California's history," Bradley said. "That is an increase of about 15,000 over last year, and comes at a time when the demand for farm labor is at its peak."

"The California State Employment Service is making every effort to ascertain now the probable farm labor supply available on October 1, so that it will be prepared to conduct an extensive recruiting campaign if the need arises. Farm workers who expect to work in cotton can help us by contacting my office, either in person, by telephone, or by mail."

NILES CAKE BOX REOPENS UNDER NEW MANAGEMENT

The Niles Cake Box, which was closed for a week, has reopened under new management. The proprietor is Mrs. Virginia Nieto, whose husband has operated the "Mity-Nice" Bakery in Hayward for several years.

Although the new owners plan eventually to bake in the Niles shop, the baking will be done at the Hayward plant until bakers are available at the Niles place. They are featuring a full assortment of bakery goods.
